HALLOWEEN NIGHT 1987-MATTAPOISETT

Spooks by the hundreds took to the streets of Mattapoisett on the night of Halloween. They paraded and toured the center to the admiration of the onlookers, some of whom had never before encountered such horrors. Finally, they arrived at the Center School grounds where, once again, they made a spectacle of themselves. It was a day that will live in infamy. Among the dancing raisins and Donald Ducks were bumble bees and alligators. Following two-headed monsters were pirates and jail breakers. Little lady bugs hobnobbed with people who had lost their heads. Little pie men were beset by fiends and butterflies. Ash cans marched with shopping bags, phone booths confronted shopping bags full of groceries in a strange and eerie way. Humpty Dumpty, huge dice, and weird birds of a feather conferred with the bride of Frankenstein. In the final analysis the judges were forced to bite the bullet and try to pick the stars of the show. With magnificent courage, they did the deed, difficult, near impossible, though it was. The winners received some wonderful prizes, thanks to the efforts of the Mattapoisett Police Department who was the organizer and host of this extravaganza. Following the judging, every single monster present was loaded up with candy and sent on the hazardous trip back to the holes from which they came. Another night of horrors was survived by all, only a memory now in the deep dark nights to come

QUESTION:

HOW DO EMPLOYEES & COMPANIES BENEFIT FROM CHIROPRACTIC SPINAL MANIPULATION?

ANSWER: With higher performance and more productivity.

Here's what you can do

- Get to know the chiropractic health method and its benefits
- Make chiropractic services available to employees in any health and welfare or insurance program with which you are associated. Insist upon it
- Recognize the importance of structural health. One of the best safeguards against illness and disease is to practice a program of health care which includes chiropractic spinal examinations

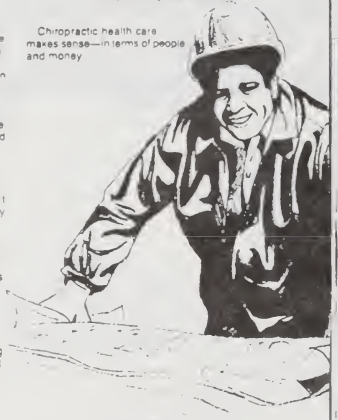
When a worker is sidelined because of a health problem everybody loses.

The company loses a valuable employee which could mean a loss of production. The worker loses self-confidence in addition to suffering pain and disability. The family unit loses part of its income so important to maintaining a standard of living. The union loses part of its health and welfare fund in payments and other benefits.

Obviously, there is no way of eliminating on-the-job and off-the-job injuries entirely. But it would be helpful and less costly for all if time for recuperation could be reduced.

Chiropractic can reduce time off. In fact, comparative studies of Workers Compensation cases from a number of states prove chiropractic's effectiveness in getting injured employees on their feet faster.

Imagine the advantages of eliminating hospitalization. Being treated on an out-care basis. Not being subjected to the hazards and expenses of drugs and surgery.



Chiropractic health care makes sense—in terms of people and money.

Mattapoisett Selectmen's Meeting

NOVEMBER 3, 1987-by VIRGINIA ARRAL

FORMER BEACH DIRECTOR CHARGES POLITICAL PRESSURE

Former Beach Director Ann Marie Stepanaitis, hired for the 1986 season, met with the Board of Selectmen last Tuesday so that she could present her grievances concerning the reasons for not being rehired for the 1987 season. Miss Stepanaitis stated that an attorney had advised that she seek a second audience with the Selectmen, the other alternative being a lawsuit which would cost her both time and money.

At the meeting with Selectmen following the hiring of another person for the position of Beach Director, the Board had requested that she prepare a list of complaints and responses. At this present meeting she had done so and gave each of her responses one by one.

Recreation Director Barry Haskell and Chairman of the Recreation Committee Jeffrey Riley were present

at this meeting. Mr. Haskell did not take part in the discussion and Mr. Riley did not comment except to explain to the Board of the Selectmen that Miss Stepanaitis had been a temporary employee of the town and that they should consider this in their comments to her questions.

Selectmen Chairman John DeCosta told Miss Stepanaitis, "We've extended you the courtesy of hearing your complaints, but there really isn't anything more the Board can do at this point."

Miss Stepanaitis said that she had requested a written report six months ago on the reasons for her not being rehired. After reading the report, she said, "I am still displeased." She stated that she felt there were still some misleading questions and untrue statements.

Miss Stepanaitis said, "I am tired of this and the matter is way out of proportion. This has to do with my name and reputation and I've taken a lot of hassle." She then explained to the Selectmen the various points that had been raised.

The first question referred to "someone to better meet the needs of Mattapoisett". She responded, "Mr. Haskell did recommend me. He did not say there was another person. I don't recall his speaking about this matter until I met with Selectmen earlier." The second question dealt with a "deficiency area of the beach director; namely, three were above average; two average; and one below average".

The third question was, "I did not know I had to evaluate the

Put less money into your boiler.

A new Model 68 oil boiler from Weil-McLain could save you hundreds of dollars on your heating bills—this winter alone!

If your oil boiler is more than 10 years old, it could be operating at only 60% efficiency—or less. That means 40% of your heating dollars could be going right up the chimney.

But a new 68 boiler from Weil-McLain operates at 84% efficiency, which means it can pay for itself in just a few short years. That means more money in your pocket—and less in your boiler.

Find out how much you can save with a Weil-McLain 68 oil boiler. Call us today!

staff." She responded saying, "I kept all the memos sent to me while on the job and none referred to an evaluation of the staff. If they had wanted evaluations, why had no one asked about the one half-way through the summer." She disclaimed ever receiving a notice to do the evaluations.

Another question referred to "general incompetence". "No one wrote down any specific complaints; there are no records on this matter." An additional question concerns "ordering supplies". "I was told it was the director's job to purchase supplies and I have signed receipts where I did purchase supplies." Also, a question referred to "supervision-giving directions". "I had a communication problem with two of the lifeguards."

Another question concerns "being late with my application". Miss Stepanaitis said she filled out the application on January 5 and mailed it the next day, well before the deadline it was due. "Mr. Haskell claimed it was late - it is his word against mine". The final question was regarding "the day of the hurricane". "When Mr. Haskell claimed I was unavailable it was my day off; however, the day before I treated it like preparing for a storm. If the situation was that dangerous, why would he want me to drive here from Taunton in that weather when he was in place to take care of the beach."

Miss Stepanaitis reiterated, "I don't know why I wasn't rehired. I'm still up in the air. If you feel I'm being a pest, I still think

Miss Stepanaitis concluded saying, "I feel better airing it out, but it is a shame you're running it this way. I guess no one feels the need to apologize. Thank you for hearing me out."

In other business, Selectmen:

VOTED TO PLACE "Caution-Narrow Bridge" signs on both ends of the bridge over the Mattapoisett River at the recommendation of Highway Surveyor Manuel R. Nunes. Mr. Nunes also recommended lowering the brick wall on the north side of the bridge by one layer for better vision. Selectmen agreed this should be done as a safety factor.

A letter was received last week from Mr. Arnold Bridge of 6 Deepwoods Drive requesting signs be placed on either end of the River Road bridge saying, Stop, One Lane Bridge. However, the road is a two-way road, admittedly two narrow lanes, Selectmen noted.

WERE INFORMED by Tedeschi Food Shops/Curtis Food Stores that the company will be donating to Mattapoisett the sales commissions from all lottery sales earned by its convenience food store at 23 County Road during the week of November 15 to 21.

Executive President Robert L. Tedeschi, Jr. asks the Selectmen to have the money earmarked for town-sponsored youth athletic and recreational programs. The letter reads, in part, "We feel it is increasingly more important to be an active member of the towns we serve, to give something back to

the communities that have helped us grow. It is our desire that this donation be used for your athletic and recreational programs because in these times, these programs often feel a financial pinch." Chairman DeCosta termed the generous offer a "super idea".

APPOINTED Frank E. Przybyszewski of 11 Driscoll Lane as a member of the Recreation Committee, term to expire April 30, 1988. He was recommended by Recreation Director Barry Haskell and Recreation Committee Chairman Jeffrey Riley.

RECEIVED A LETTER from the State DEQE that it has extended the prohibited classification of the waters and flats and all tributaries of the Mattapoisett River north of a line drawn across the mouth of the Mattapoisett River for an additional 30 days. Shellfishing permits are restricted to the following conditions: digging or attempting to dig in the prohibited areas.

RECEIVED A LETTER from Mrs. Beatrice Ingram requesting the Selectmen place a barricade on the front and sides of Barstow Wharf. The request will be taken under advisement by the Board until after the Highway Surveyor checks the proposal and gives his recommendation. She writes, "The safety officer has asked for one for a long, long time and he is still asking for one. I have worked at the town beach for 21 years and have seen so many trucks and cars almost go over the edge. The children run so quickly and ride their bikes so fast that at times I've thought they would go over." Mrs. Ingram

recently lost her husband when his truck went over the wharf and she feels this would not have happened if there had been a barricade.

VOTED TO RETAIN the same shellfishing license fees at the recommendation of Shellfish Constable Brian Nunes. It was noted the current license fees have remained the same since 1985.

AGREED to send a letter of commendation to Joseph Harrison who retired recently as Sanitary Landfill Supervisor.

RECEIVED A LETTER of concern from Mrs. Beverly M. Farwell, 36 Mattapoisett Neck Road, regarding the amount of salt being used on Route 6 in Mattapoisett. The suggestion will be sent to the Highway Surveyor for his recommendation.

LETTERS WERE RECEIVED by the Police Department: one thanking the police for their help after a break-in at home. The letter said "The officer who responded to our call was very professional and thorough, and we give him the credit for our being able to identify the boys responsible for the damages."; the other commending the officers

If you saw too much of this last winter, call us now.

We'll show you how a new Weil-McLain Model 68 oil boiler could save you hundreds of dollars on your heating bills next winter.

The fact is, many older boilers operate at only about 60% efficiency. That means that as much as 40% of the fuel you're paying for could be going right up the chimney. The new Weil-McLain 68 oil boiler operates at over 84% efficiency—so it can save you enough money in oil bills to pay for itself in a few short years.

ASSESSORS' ANNOUNCEMENT ON TAX RATE
TOWN OF MATTAPOISETT

The Board of Assessors for the Town of Mattapoisett announce they have sent the tax rate of $8.18 to the Department of Revenue for final certification.

Chairman John D. Gibbons, Bruce E. Rocha and Robert Gingras announced the current new value of all Real and Personal Property in Mattapoisett stands at $535,291,969 versus the old value of $259,579,500 and the old rate of $14.60.

The dramatic change is the result of a complete revaluation of property and reflects the current market conditions as to value.

The announcement was made following a meeting with the Board of Selectmen last Tuesday when the tax rate was discussed prior to having Shirley Kelley, Administrative Clerk in the Assessors' office, hand deliver the tax rate request to the State Department of Revenue for certification.

Bruce Rocha noted at the meeting that Mattapoisett is the first town in Massachusetts that has submitted its tax rate for certification to the state DOR. The Assessors all agreed Ms. Kelley has done an excellent job her first year in the supervisory job and deserves a lot of credit for her work.

Marion Selectmen's Meeting

NOVEMBER 3, 1987-by EUNICE MANDUCA
A COMMUNITY SERVICE OF THE LEAGUE OF WOMEN VOTERS

The Marion Selectmen met at 5:15 p.m. in executive session as Police Union negotiations continued.

At 6:45 p.m. it was voted, on the recommendation of Chief Scott, to appoint Scott Cardoza and James Costa as Special Police Officers.

The Department of Public Works' contract was signed, completing union negotiations.

The interview with John Crowne, candidate for the Conservation Commission, was postponed at the request of Mr. Crowne.

The Tabor Academy Trustees presented a plan for the redesign of Hoyt Hall and, with a scale model, explained the intended uses of all areas of the building. This was the first step in proceeding with the project.

Proposals for the development of Taber Hall were opened and read by Chairman John Hoagland. Copies will be sent to the Selectmen, Finance Committee and then referred to the Taber Hall Study Committee. On December 9th the Committee will report to the Selectmen with recommendations for further action.

The Cemetery Commissioners, Ann Washburn and Nate Nye, reported on all town cemeteries: Evergreen, North Marion, Quaker, Little Neck and Old Landing. Abelio Rodrigues inquired about the development of Old Landing Cemetery extension. Discussion followed concerning preservation of old stones and landscaping plans for all cemeteries. The Selectmen will send a memo concerning cremation burial arrangements.

A public hearing was held to discuss shellfishing violations by Robert Zora of Wareham. Testimony

was given by three witnesses that he was raking in a restricted area.

Mr. Zora insisted that none of the witnesses was close enough to say how deep the water was in the area where he was working. Harbormaster George Jennings stated that Marion has issued 22 commercial shellfishing licenses, 1 junior commercial shellfishing license and 801 family shellfishing licenses. Of that number he warned the junior shellfisherman once with no reoccurrence and has had to deal with violations by Mr. Zora on 5 different occasions. The Selectmen suggested a 90 day suspension for Mr. Zora. Ron Thacher, a Commercial Shellfisherman, suggested that such a suspension would not do the town or Mr. Zora any good and, made the suggestion that Mr. Zora could work out the penalty by community service. There were areas in the harbor which had too many oysters and these could be gathered by Mr. Zora and prepared for transplanting by the Assistant Harbormaster. The Selectmen asked Mr. Zora if he would accept this alternative and Mr. Zora stated that the suspension should be increased to 1½ years and by that time he would be too old to go shellfishing. The 90 day suspension was voted.

Roger Walen, chairman of the Marine Resources Commission, discussed the questionnaire to be sent to all residents to establish the wishes of the townspeople for multiple uses of the harbor. Mailing costs will

Letters received: 1, draft proposal for the Land Bank Petition to be submitted to the State Legislature; 2, an order to pay $108,022.22 to the Plymouth County Commissioners as Marion's share of the County Tax; 3, a notice from New England Telephone that, effective July 16, 1988, Marion will have a new area code, 508.

Executive Secretary Ray Pickles reported that the fall flushing program continues.

There was no response to the ad for a secretary for the Conservation Commission.

A check with the insurance carrier showed there is no liability coverage available through the town for the transportation of team members by Recreation Commission parents. Each driver should have their own coverage.

A Special Town Meeting has been scheduled for December 15, 1987.

Selectman Ted Pratt suggested that questionnaires be sent to residents of the village in the area being considered as a Historical District asking for their cooperation in filing appropriate forms. This would be very helpful to the Taber Hall Study Committee and to have the Taber Hall building eligible for federal tax benefits as an added incentive to developers.

BOARD OF HEALTH

A memo to all Design Engineers concerning on-site sewage disposal permits was discussed. Copies will be distributed to all disposal permit applicants.

A notice was received from the Division of Marine Fisheries extending the shellfishing prohibitions in Hammett's Cove and the Weweantic River for an additional 30 days.

Public Meeting: Harbor's Future

MATTAPOISETT GROWTH MANAGEMENT
HARBOR SUB-COMMITTEE
submitted by Mike Dahill, Chairman
Harbor Sub-Committee

The Mattapoisett Growth Management Harbor Sub-Committee has scheduled a public hearing to discuss the waterfront issues in Mattapoisett.

The Harbor Sub-Committee is looking into problems facing the harbor and waterfront areas of Mattapoisett. To date, there have been several sessions held to outline the major issues and problems relating to the harbor, and preliminary discussion as to possible programs to preserve the harbor. Comments have been received from concerned citizens, boat owners and marine related businessmen.

Mattapoisett Harbor is rapidly filling with boats. Many, perhaps most, of these boats are owned by non-residents. This rapid growth has put a strain on town facilities, such as wharves, parking areas and the streets of the village. The

Harbor Sub-Committee has been assigned to develop programs to regulate the growth of waterfront facilities and assure that the waterfront area will be protected and preserved.

The committee is also looking into the proposed Chapter 91 state regulations that will regulate access and use of public waterfront facilities. There has been a presentation by Massachusetts Coastal Zone Management to explain the steps in developing a comprehensive harbor plan. Committee members are gathering information on harbor plans and regulations from local communities.

In order to get more input from Mattapoisett residents, there will be a public meeting on Tuesday, November 17th, at 7:00 p.m. at the Mattapoisett Town Hall. The committee asks all interested people to attend and voice their opinions on the issues facing Mattapoisett Harbor.

Men's Fellowship

St. Gabriel's Men's Fellowship Breakfast will be held this Sunday, November 15th; 8:15 a.m., early bird coffee and 8:30 a.m., breakfast, at St. Gabriel's Parish Hall, Front and South Streets, Marion.

Guest speaker this Sunday will be Captain George Glaeser, a noted local sailor, who will present a talk on Sail Training.

The Men's Fellowship offers all men of the tri-town area an opportunity for friendly association with no obligation to participate in service or religious projects. Breakfasts are prepared in turn by members. Donation is $2.50.

Mattapoisett Historic District

SURVEY QUESTIONNAIRE-NEW DEADLINE: PRELIMINARY RESULTS ANNOUNCED

Ninety-five out of some 300 questionnaires were returned in response to the survey of residents of a proposed Historic District based on the 1856 Walling Map of Mattapoisett. Although this would normally be considered an excellent response, the Study Committee was disappointed in the number who took the time to express their views on this important subject and therefore the Committee voted to extend to November 24th the time during which replies would be accepted in the hopes that more people would respond. All residents who received the questionnaires are urged to make their views known on this important matter.

Seven questions were presented on the questionnaire and replies were overwhelmingly favorable to the first four questions. Ninety-two and ninety-one respectively out of the 95 replies agreed that the center village area is important to the "feel" of Mattapoisett and that it was desirable to maintain the present look of the center of

town. On the next two questions 90 and 84 replies respectively favored having the Historic Commission continue past efforts to maintain a register of historic homes and buildings and to establish a reference service of sources of conforming architectural materials and supplies for older houses. On questions 5 and 6 which concern the desirability of having the Commission publish a set of guidelines and being available for consultation about architectural features, 77 and 64 replies respectively favored the proposals. Since these actions fall within the present charter of the Historic Commission, no further authorization is required to take action.

The most controversial question, question 7, had to do with a possible by-law required for a statutory Historic District and read as follows:

"Do you think the Town should adopt an ordinance (by-law) providing that no building or structure in the Historic District shall be constructed or altered in any way that affects exterior architectural features unless the Historic District Commission approves the changes as appropriate or decides that the changes do not matter to the district?"

expressed themselves in favor, 38 were opposed and 7 were undecided. Since the Committee is waiting for the results of the questionnaire, no draft by-law has been prepared. However, in its meeting on November 2nd the Committee discussed some general parameters for such a by-law. It was the consensus of that meeting that the review authority of any eventual commission should be limited to exterior architectural features visible from the street except for the following specific exceptions which would be exempt from review:

a. Temporary structures or signs.

b. Reconstruction of a building structure or external architectural feature which was damaged by fire, storm or other disaster provided that the exterior design is substantially the same as the original.

c. The color of paint or stain.

d. The color of material used on roofs.

3. Terraces, walks, driveways, sidewalks and similar structures provided that any such structure is substantially at grade level.

f. Storm doors and windows; screen doors and windows; window air

It should be emphasized that no firm conclusions have been drawn and input from interested citizens is welcomed. The Committee urges all residents who received questionnaires and who have not returned them to do so by November 24th.

Additional copies of the questionnaire may be secured in the Selectmen's Office at the Town Hall. The next meeting of the Committee is scheduled for December 1st at 7:30 p.m. at the Museum of the Historical Society, Church Street.

Poinsettia Christmas Fair

The annual all-church Poinsettia Christmas Fair will be held in the Parish House of the Unitarian Memorial Church, Fairhaven from 9:30 a.m. to 3 p.m. Saturday, November 14th, with Mrs. Virginia Delano as general chairman. The coffee shop, featuring hot beverages and homemade pastries and headed by Joanne Whitehead, will open at 9:30 a.m., continuing until 3 p.m.

Another popular feature, a luncheon featuring quahaug chowder, lobster rolls, chicken salad rolls and hot dogs, will begin at 11:30 a.m., continuing until 1:30 p.m. Helen Pelton, whose chowder recipe is uniquely hers, is luncheon chairman. Homemade pies are also served.

Leonard Peirce and Dot Genthner will conduct tours of the historic church throughout the fair hours. Other features will include a table devoted to recycled linens headed by Rachel McGowan, white elephants, with Doris Hawes in charge, jewelry, headed by Millicent Kelley; Nat's Corner featuring hand-knitted sweat-

ONE DAY WORKSHOP
FOR ADULT CHILDREN OF ALCOHOLIC
AND DYSFUNCATIONAL FAMILY SYSTEMS

A Pre-Holiday One Day Workshop for Adult Children of Alcoholic and Dysfunctional Family Systems, presented by Dr. Barbara Acksen, Clinical Director, and Staff of the Marion Center for Human Services will be held Saturday, November 21st, from 9:00 a.m. to 5:00 p.m. at the Marion Center for Human Services, Inc., 335 Wareham Road, Marion. The cost is $65.00 and includes a box lunch. Size will be limited; first come, first serve basis.

The staff at the Marion Center is keenly aware that the upcoming holidays can be a stressful, difficult and sometimes sad experience for people who grew up in dysfunctional family systems. Therefore, the Center staff is offering this pre-holiday workshop to help people learn to identify and deal with past hurts and angers in an understanding, caring and safe environment. This workshop will be educational and will also allow participants to share

with each other in small groups of twelve to fourteen people facilitated by a staff member.

The small group experience will offer:

A way to find out how others with the same kinds of experiences think and feel.

A chance to let down barriers and talk more freely.

An opportunity to move beyond limiting behaviors and to experiment with new attitudes and actions.

Support in making changes that lead to recovery.

Through such exploration, this workshop may help people find and be better able to nurture their inner child, to experience relief and to find new ways of enjoying the holidays instead of dreading them.

TOPIC OF OPEN HOUSE
LIBRARY AUTOMATION

The Mattapoisett Free Public Library will hold an Open House on Wednesday, November 18th, at 7:00 p.m. to discuss library automation. Come and join us for a cup of coffee and an informal question and answer session about automating your public library.

TGIF CLUB

The films for TGIF on Friday, November 13th, are: LAFCADIO, THE LION WHO SHOT BACK, a lion becomes a sharpshooter after he eats a hunter and appropriates his gun. When he retires to the jungle, he faces the frightening prospect of shooting other lions, based on a book by Shel Silverstein; BEARSKIN, a young soldier makes a deal with the Devil to gain money. He needs the help of a beautiful young girl to defeat the Devil. The running time for these two films is 42 minutes.

After our pleasant run, we were treated to a delicious and plentiful lunch which was superior to many buffets I've attended and paid for. It was a well planned and prepared day for all to remember.

The free entertainment was enjoyed by all as was the great thrill of riding the train. Most of all, it was an informative experience which left me anxious to return to SEMASS again on their opening day when we will all realize their efforts and see their plans fulfilled.

Food Collection

To celebrate America's tradition of Thanksgiving, Plymouth Savings Bank began the "Answer the Need" program two years ago. The program extends from November 2 to Christmas when customers and friends are being asked to share non-perishable food items with less fortunate members of the community.

Food collection barrels are being placed in the lobby of each Plymouth Savings Bank office. Because of the heavy demand for food which goes beyond the holiday season, the hope is that food supplies will be sufficient for distribution through the winter.

"This food collection program has been extremely successful in the past," said Bank President Thomas S. Olsen, "and, again this year, we urge all who can to help us respond to the needs of our neighbors."

In Mattapoisett, food distribution is being handled by St. Anthony's Church.

Old Hammondtown

SPEAKER ON WAMPANOAG INDIANS

Dr. Milton Travers spoke to the 4th grade classes at Old Hammondtown School on Wednesday, November 4th, at 12:30 p.m. The subject was the Wampanoag Indians of Southeastern Massachusetts and their chief, Massasoit, also called "Yellowfeather". This talk is part of a pilot curriculum unit being introduced to Mrs. Scully's 4th grade class. It focuses on the integration of our local Folk Heritage and compares it with another county, as well as co-ordinating the Arts with Social Studies. Students will learn more about their local history, and the naming of their town by the Wampanoag Indians. Based on what is learned, students will write a story about the Wampanoags and participate in a corresponding art project in Mrs. Thayer's art class.

MS-DOS operations has been added to the Senior curriculum.

MS-DOS is the operating system utilized in the worlds of IBM microcomputers and IBM-compatibles. Old Colony Seniors will be taught hard dish management, sub-directories, passwords and file access. The use of batch files will be studied in detail.

The new course should provide the students with a thorough understanding of the operating environment of the microcomputer. The course is being presented by Data Processing instructor Michael McCormack.

STUDENT COUNCIL TO PARTICIPATE IN CONVENTION

On Monday, November 16th, the members of the Student Council at Old Colony Regional Vocational Technical High School will travel to Westport High School to participate in the S.E.M.A.S.C. Fall Convention. Old Colony is a member of S.E.M.A.S.C., Southeastern Massachusetts Association of Student Councils. The association hosts periodic conventions in various high schools to provide Student Council members with the opportunity to develop their leadership and government skills. Old Colony participated in last spring's convention at Dartmouth High School.

COSMETOLOGY DEPT. ATTENDS BEAUTY EXPO

Recently the Cosmetology Department at Old Colony Regional Vocational Technical High School attended the New England Beauty Expo sponsored by the New England Full Service Beauty Distributors' Association. Thirty-four students were accompanied by two instructors.

The show included seventeen demonstration rooms along with one hundred and forty-six product displays for re-sale and information. Included in the show's highlights were braid extensions, razor and clipper cuts, the introduction of full hair, chemicals to give hair body without a perm, tuli colors, skin, face and makeup care. Some of the more daring students volunteered to be models for the New York and California Guest Artists.

Old Colony's participation in the Beauty Expo was made possible through funding by the School Improvement Council.

SENIORS RECEIVE AWARD

Recently two Old Colony Seniors were co-recipients of the prestigious Massachusetts Association of School Superintendent's Certificate of

Academic Excellence. Christopher Franks and Michael Gajewski received their awards at the Fall Advisory Board Dinner Meeting held recently at Old Colony Regional Vocational Technical High School.

The Certificate of Academic Excellence is awarded to one Senior in each Massachusetts high school who ranks in the top 5% of his class and has exhibited academic and vocational excellence as well as active participation in school activities. John T. Oliveira, Superintendent-Director at Old Colony, in presenting the award, explained that for the first time in the school's history two students were tied for highest ranking. Therefore, co-recipients were named for the award with special approval of the Massachusetts Association of School Superintendents. Christopher Franks, a Carver resident, is in the Electronics program at Old Colony. Christopher is a member of the National Honor Society as well as a member of the Student Council. In addition, he is the shop representative for the Electronics Department. Last year, Christopher participated in the Project Spotlight program at Southeastern Massachusetts University. Chris

southern slaves were spirited to the north through a network of individuals and cities, such as New Bedford. The play also intends to draw connections between the underground railway and the plight of Central American refugees in today's sanctuary movement.

The plot weaves together the personal histories of its two main characters, Harriet Tubman, the most famous "conductor" on the underground railroad who brought over 300 persons north; and Joaquin, a Guatemalan poet and refugee. It has been staged in Boston and recently toured the southern states.

Lloyd Center

SCIENCE FAIR, GETTING STARTED

The time has come for most area middle school students to think about their science fair projects. Each year middle school students put time and energy into a project, the hardest part of which is getting started. The Lloyd Center can help. Each year the Lloyd Center conducts a workshop, The Science Fair - Getting Started. The Workshop will be held at the Center on November 14th from 10:00 to 4:00.

The workshop covers the problems encountered in the early stages of developing a Science Fair project, appropriate subjects, narrowing the scope of a project, applying the scientific method, how to find resources, and presenting a finished product. Lloyd Center instructors will be assisting students on how to choose a project, examples of successful projects, orientation to the Center's Resource Library.

The fee for this workshop is $5.

ART EXHIBIT AT YWCA

The watercolor workshop, under the instruction of Mary Lindenberg, will hold its annual student show at the YWCA with an opening reception November 21st from 1 to 4 p.m. in the lobby of the Y. The paintings are available for purchase.

The class is made up of senior citizens, members of the Bierstadt Society, and participants of the Westport Art Group.

Children's Museum

WORKSHOP FOR HEARING IMPAIRED

The Dartmouth Children's Museum will have a "WORKSHOP FOR THE HEARING IMPAIRED" on November 14th at 1 p.m. Join us to learn more about what it is like to be hearing impaired. Being able to hear is just one of those things we take for granted, but not everyone is fortunate to have perfect hearing. This program is offered free with Museum admission for all ages. The program will begin with a speaker from the "Massachusetts Commission for the Deaf", speaking on the topics of modes of communication and the deaf culture. This presentation will be followed by Kathy Melanson of the Southeast Center for Independent Living. Kathy will be granting us the opportunity of a workshop on sign language. She will demonstrate the basics of sign and then the audience will be able to try out some of what they have been shown.

Admission to the Museum is $1.50 for children and seniors, and $2.00 for adults. Come and join us for this very worthwhile and informative presentation.
